

Dear Friends of LCB,

We are excited about our 42nd season of providing quality family musical entertainment to our audiences here in Acadiana. The band continues to grow both in size and quality and these 85 plus musical artists continue to amaze me with their talent and dedication to the band.

We open our 2024 season with "LCB AT THE MOVIES" – a musical journey through classics of the silver screen. We follow that up with an old-fashioned concert in the park in April. Our most popular concert continues to be the celebration of Memorial Day at the end of May. We again take a break during the summer, but as a season ticket holder, we invite you to join the Acadian Wind Symphony for their annual summer concert late June. In October, the LCB returns with our Fall Festival of Sound and in December we celebrate the Christmas season by returning to the Lafayette High School Auditorium.

We look forward to seeing you in 2024 and hope you enjoy "a whole year of great music – with no strings attached."

Thank you for your continued support and please feel free to come up and say hello after our concerts.
